

DURABILIS®

Infinite - Lasting - Timeless

The ultimate leather quality which has taken all the learning of the automotive industry to meet the rigorous demands of high traffic and high wear and tear. For the first time this technology has been transferred to a domestic leather with a softer and warmer look and feel but with the same durability.

The perfect family friendly highly durable leather.

You can clean most household stains including:

- Coffee
- Red wine
- Coke
- Beer
- Oil
- Food spills
- Boot polish
- Ink (only exception permanent markers)
- Crayons

It is important that you get to any stain immediately removing dirt immediately with a damp cloth or sponge and then clean the area with the special DURABILIS leather care kit (please read instructions carefully from the care kit before cleaning)

It also keeps the leather beautiful and soft over time and combined with proper cleaning, it helps prevent cracking. The regular use of the DURABILIS leather care kit allows to keep leather always beautiful, clean protected and long lasting.
